

RALPH ELLISON LIBRARY PRESENTS
A BLACK HISTORY MONTH SPECIAL EVENT

**DREAM IT!
MAKE IT!**
INVENT SOMETHING
FABULOUS!

YOUNG INVENTORS

Come celebrate the invaluable contributions of black inventors throughout American history! In this program, you can show your creative skills by constructing your own unique invention out of a variety of fun materials provided by the library. There's no limit to your imagination! While you're here check out some fantastic books about the lives of black inventors whose ideas and products we use every day. Who knows, you may be the next George Washington Carver or Madam C. J. Walker!
