

# One Search, Every Format

## Catalog: New User Guide

Formats are now conveniently displayed together. For example, when searching "Peter Pan," you'll immediately see formats the library owns in ONE place, including print (regular and large print), audio and digital copies. Videos have separate records.

### Basic Search

1. Type your favorite author, title, subject, series, etc.
2. Find the item you want and select your desired format.
3. Select your preferred edition to place a hold, add to your list to read or check for availability at your library.
