## Let’s Book It

Did you know that the Metropolitan Library has several virtual Book Clubs?

**Flora and Ulysses: The Illuminated Adventures by Kate DiCamillo:** Children can tune in online (May 19 & 26) for a book club featuring DiCamillo’s award winning title.

**Nine Perfect Strangers by Liane Moriarty:** Adults can join our Nine Perfect Strangers book club online on May 26 to discuss the novel that has everyone talking.

**Graphic Novel Book Club:** Teens can join other graphic novel lovers online (May 28) to discuss Runaways Vol 1: Pride and Joy by Brian K. Vaughan.

# Read Anywhere, Anytime with Libby

Download the Libby App to begin reading anywhere, anytime! Bibliophiles on the go will love our digital collection on Libby.

What are the benefits of Libby?

- 1. Suspend holds. Ever have all your holds become available at the same time? Simply suspend some holds to keep your place in line.
- 2. Sample any book. Even if a title is already checked out, it can be sampled. Samples are helpful when trying to decide what titles to put a hold on or offer a jump start if there is a title that you just can't wait to begin reading.
- 3. Define, highlight and search text. Easily define a word in the text, highlight text and search words in the text using the Libby app.
- 4. Reveal reading estimates. Get an estimate of how long it will take to read a title based on how long you have already spent reading the title. Almost finished with a title? Time to place your next read on hold.
- 5. Show estimated wait for a title on hold. Libby will tell the user the approximate number of weeks they will have to wait for a title to become available. This information is displayed below the title art, above the book overview.
- 6. Easily navigate between different libraries. Users can have their Metropolitan Library System card and their Pioneer Library card (or any other library card from a library that offers an OverDrive digital collection) set up on one account and toggle between the two.
