

LOVE BUGS!

Supplies: hot glue gun, double sided tape, empty toilet paper or paper towel roll, colorful paper, markers, paint, oil pastels, twisty wire, cardboard

- Cut out bug body, wings, and any little shapes or pieces you want for your love bug.
- Use glue and tape to attach wings, shapes, and twisty wire (for antenna and legs) to your love bug body.
- Cut a ring off of toilet paper or paper towel roll and cut in half. Glue each piece to the underside of your love bug!
- Now you have a love bug! Make as many as you want!
