

WEAVING!

Supplies: glue gun, 4 craft sticks, yarn or string, scraps of fabric, paper, ribbon, pipe cleaners, long pieces of grass and other nature things

- Using glue gun, glue the each corners of your craft sticks together to form a square.
- Cut a piece of yarn and attach to square with a drop of glue. Tightly wrap yarn around loom as shown in photos to form a mini loom
- Weave your material of choice in and out
- Your loom can be reused over and over!
