

CARAMEL APPLES!

Supplies:

Paper (red, green, brown, or whatever colors you choose), popsicle sticks, glue, glitter, scissors, pencil.

- Draw your apple shape onto your chosen color of paper and cut out! Trace your apple shape onto your brown paper and draw wavy lines to represent drips through the middle of your apple shape and cut out!
- Glue your "caramel" onto your apple. Flip over your apple and glue your popsicle stick to the back!
- Spread glue onto your "caramel" and pour glitter over glue!
