## This Week's Craft: Imaginative Play Caramel Apples

## READ

- [Apples: 50 Tried and True Recipes by Julia Rutland](#) Easy to grow, abundant, and delicious, the apple is America's favorite fruit. It has a slightly sour and bitter taste that's overpowered by juicy sweetness-and it is enjoyed daily in homes across the country. Apples is a cookbook by Julia Rutland that features 50 easy recipes geared for busy cooks who enjoy great flavor.
- [Apple by Nikki McClure](#) Apple follows the life of an apple throughout the year, demonstrating the cyclical patterns in nature. The youngest readers will delight in following the journey of the bright red apple-the only splash of color in the otherwise black-and-white illustrations-as it travels from tree, to harvest, to snack, to compost, and finally to sprout.
- [Apples and Butterflies by Shauntay Grant, Tamara Thiébaux-Heikalo](#) From patchwork-quilt farmland to the winding red roads, from sandy beaches to the endless stars at night, Apples and Butterflies shows Prince Edward Island shining in the bright blue and gold light of fall. Shauntay Grant's award-winning poetry and Tamara Thiébaux Heikalo's rich and wild illustrations pull the reader towards the wide-open space of the island

## WATCH

[The Apple Pushers \(2012\)](#) Narrated by Academy Award nominee Edward Norton, THE APPLE PUSHERS follows immigrant street vendors who are rolling fresh fruits and vegetables into the neighborhoods in New York where finding a fresh red ripe apple can be a serious challenge.
