# Weather Wheels

## Vocabulary List

- Hot
- Cold
- Rain
- Snow
- Wind
- Sun/Sunshine
- Clouds/Cloudy

## Educational Extensions

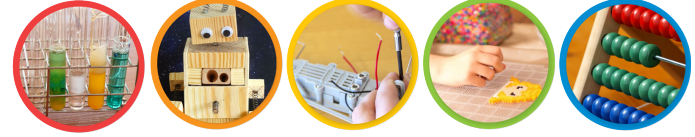

- Learn about the seasons, practice with the weather wheel associating types of weather with a season
- Connect weather to other steam areas like architecture. How does weather change the way we build?
- Take weather observation walks to different places. Does the park look different when it's sunny? Is it better to be under the trees while it's hot? The best way to reinforce concepts is to frequently connect them to things your child can experience.
