The Village Library's Coding Challenge

Judging Criteria and Prizes

010
1010
1100

Submissions will be judged on:

Creativity - How original is the project idea?

Design - Is the project visually appealing and user-friendly?

Usefulness - Does the project solve a problem for the target audience?

Technical Skill - Does the project run well and show an understanding of basic coding concepts?

There will be 5 total winners: an Overall Winner, plus a winner for each judging category above.

Prizes!
