Ghost Leaves!

READ

- [Jim Henson's The Storyteller: Ghosts](#) Within Scandanavian folklore, there exists a vengeful ghost known as a Myling. A man traveling at night comes across a haunting cry from within the forest. He enters it to find a spirit who demands to be carried to its proper burial site. The man agrees, but as he travels forth, the spirit's grip tightens... it grows in size...and the man's gait slows. Can he unburden himself of this terrifying weight before it brings him down for good
- [Ghost by Various Authors](#) A finger against the inside of a mirror... a wood where the trees look back... a basement door blocked by a brick wall so thick, it stifles the screams from below ... This original collection of chilling poems and tales contains the only true ghost stories in existence (as the book itself will tell you)-13 eerie encounters perfect for sharing...if you dare. Accompanied by striking illustrations and building to a truly spine-tingling conclusion, this haunting book will consume the imagination and keep readers of every age up long past their bedtimes.
- [Mother Ghost by Rachel Kolar](#) From "Mary, Mary, Tall and Scary" to "Wee Willie Werewolf," this collection of classic nursery rhymes turned on their heads will give readers the chills--and a serious case of belly laughs. With clever rhyme and spooky illustrations, Mother Ghost is perfect for getting in the Halloween spirit. Boo!
