

The Northwest Library Presents . . .

MAKE YOUR OWN BATH BOMB KIT!

THIS KIT INCLUDES:

- Supplies, ingredients, and instructions for making several Bath Bombs (flip this over for detailed lists)
- a S.T.E.A.M. Reading List
- a S.T.E.A.M. Crossword Puzzle
- a Sudoku Puzzle
- a Bookmark (with more great reads to explore!)

Supply List:

- 1 bath bomb mold
- 1 wooden stirring spoon

Ingredient List:

C=Cup, T=tablespoon, t=teaspoon

The basic recipe packed in this bag:

1 C baking soda (baggie #1)

½ C cornstarch (baggie #2)

½ C Epsom salt (baggie #3)

½ C citric acid (baggie #4)

2t lemongrass essential oil --in the small Nalgene travel bottle

(you may substitute your own preferred fragrance oil for the lemongrass, but you *will* need this quantity of oil)

2t jojoba oil --in the lidded spritzer bottle

(both the spritzer bottle and the Nalgene travel bottle can be washed and reused ☺)

You will also need ¾ - 1 t of water.

)()()()(

You may wish to include up to 1 t of powdered food coloring (doesn't tend to stain as much as liquid food coloring). If you add this powder, you'll need to increase the quantity of water by a few drops, too.

You may also wish to include up to about 1 T of dried botanicals, like fragrant herbs, flower buds or leaves, etc. Be sure to use things you're not allergic to!
