

Supplies:

card stock, snowflake template, scissors, wooden beads (or any bigger size beads), embroidery thread, needle

- Print out template onto cardstock and cut out your snowflakes!
- Cut a piece of embroidery thread and tie a knot on one end!
- Thread needle and push through biggest snowflake first, then bead, then next snowflake (size smaller), and alternate until all beads and snowflakes have been threaded!
- Tie a loop at the top so you can hang your snowflake!
