

CINNAMON STICK Christmas Ornament

Supplies:
Cinnamon Sticks, Googly eyes, Ribbons, Buttons, Accessories
Will Need: A glue gun or strong glue, Scissors

Reindeer: Glue two cinnamon sticks together making a "V" shape. Then glue a stick towards the top. Glue googly eyes and a button for the nose. Flip over to add the string for hanging.

Christmas Tree: Carefully cut a cinnamon stick where there is a big piece and a smaller piece. Place pieces smallest to largest, gluing them on the one uncut stick. Leave room at the top for the star. Glue buttons or stick sequins for decorating. Have Fun!

Tree: Use three cinnamon sticks to make a triangle. Cut a small piece to make the trunk. Glue all pieces together. Decorate!

Fabric Tree: Glue two pieces together side by side. Take the ribbon or any fabric scraps you like to use to tie onto the sticks. You can leave like this or cut the fabric into a tree shape. Add any accessories you like and a string to hang. Happy Holidays!
