

# Sparkler Instructions

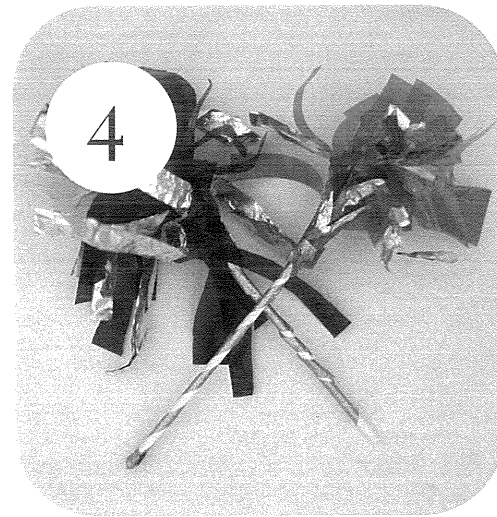

1  
Gather the following supplies from your Opening Night Art Kit: cellophane, foil, straw, and glittertape.

2  
Place sheets of foil side by side directly over cellophane.

3  
Fold cellophane/foil in half (hamburger style) and cut .5 inch strips from the open edge to about 1 inch away from the folded edge - make sure you don't cut strips all the way through!

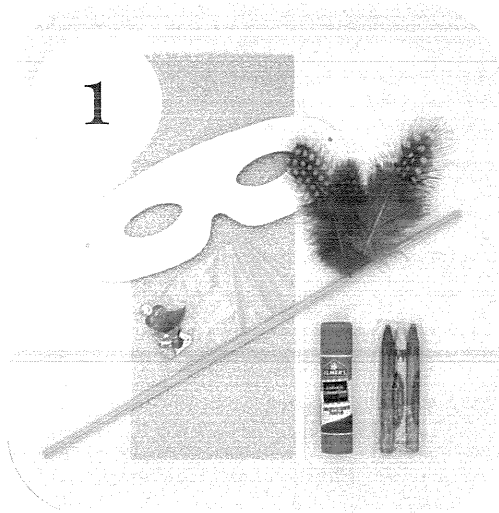

4  
Wrap the folded edge of the cellophane/foil around the top of the straw and secure with tape. Decorate straw with remaining tape. Fan out cellophane/foil and enjoy!

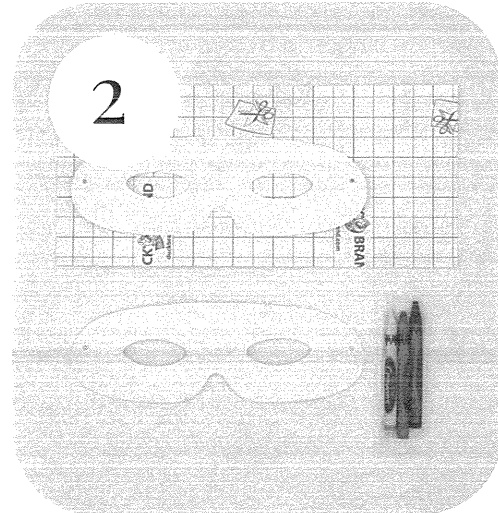

Tune in to Arts Council OKC's Facebook page or YouTube channel at 9:30pm to follow along the free livestream instructions! Visit [artscouncilokc.com](https://www.artscouncilokc.com) to view the full Opening Night virtual schedule.

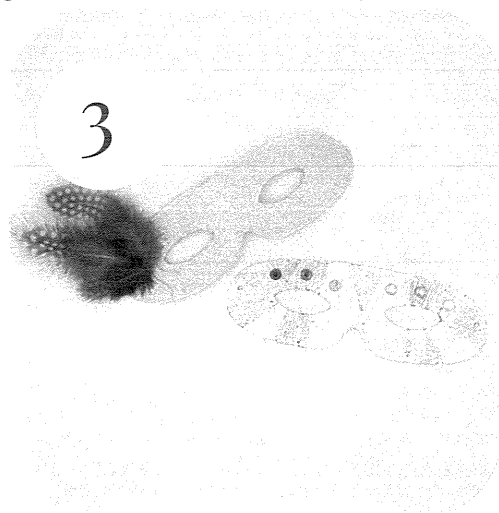

# Masquerade Mask Instructions

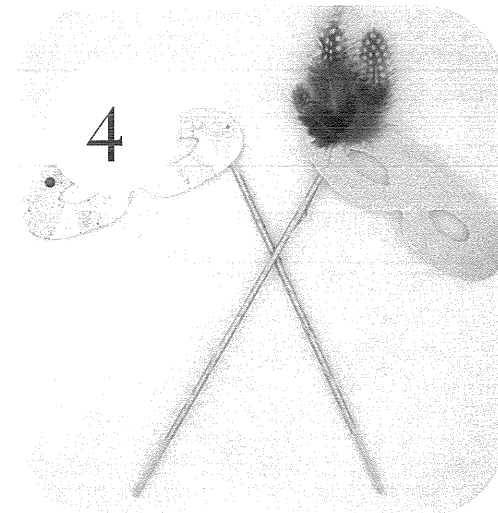

Gather the following supplies from your Opening Night Art Kit: glitter tape, mask, wooden dowel, gems, glue stick, feathers, and crayons.

Decorate background of mask by either cutting a stencil out of glitter tape, or coloring with crayons. Back side of glitter tape is lined for measuring.

Using the glue stick, attach gems and feathers to mask in your desired festive pattern.

Cut out strips of glitter tape to both attach wooden dowel to the back of the mask, and to decorate dowel. Your masquerade mask is now complete!
