

DIY CARDBOARD NECKLACE!

Supplies: cardboard, scissors, plastic needle, pencil, yarn, string, or ribbon, markers, crayons, colored pencils, paints, anything to decorate your cardboard with!!!

- Cut 5 circles out of your cardboard about 2" in or whatever size you would like!
- Decorate each of your circles! Don't forget to decorate both sides so your necklace can be reversible!
- Using your plastic needle and yarn, thread each circle!
- Tie your necklace together at the ends at whatever length you would like!
- Wear your necklace!!
